Matthew 25:40 'I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.'

February 2010

Dear Brothers and Sisters,

I thank all of you who prayed and supported my trip to Haiti. We had a great trip, God planned it for us. Now I have so many things on my plate and in my head that I feel overwhelmed, but you should know that I find strength that many brothers and sisters are praying for me. Someone says: "He is no fool who give what he cannot keep to gain what he cannot lose". There is power in prayer because the action we have taken and those we are about to take will make an eternal impact on the people who will benefit from them.

Let me share a little testimony with you about Yvrose Guerilus. She is 31 years-old and has lost both of her legs. When I sat and met her for comfort, counseling and relief from the emotional pain, she said to me since it had happened, this was the first time someone come and put a smile on her face. She asked me to take a picture with her and anytime she sees that picture she will never forget

what I have done in her life. Without prayer we can't accomplish anything. I beg you all to continue to pray for the country of Haiti and pray for our staff in Haiti.

With your help we support 165 families and visit 4 hospitals, our team will continue to visit more hospitals in the Provinces. We will continue to support some of them on a monthly basis to rent a home so that they can have a place to stay with their families. We will provide food for them as well. Please pray that this action can show people the Lord of love

We have already welcome 15 students at Karley Christian Academy. We will provide uniforms, books and other school supplies for them. You know most of the big organizations stayed in the cities that were covered by the news stations like CNN and other media. But we in CARHA work in the provinces and villages, we are not covered by the media, we are cover by the Almighty God. He knows where we are and what we have done and provides for us and watches over us according to Psalm 139.

The people you see in these pictures need continued support. They suffer with serious injuries; broken backs, lost legs and hands. Some cannot stand, sit up or walk. Children and infants have lost their parents. People are without homes. Please help us to keep smiles on their faces.

Please pray for the upcoming plans;

- 1- April trip - Nurses and Doctors Needed.
- 2 - New Cafeteria For the School- Contractor Needed
- 3 - Basketball Court for the School
- 4 - House for the Orphans.
- 5 - Hospital Building.

Thanks in advance for your prayer and God Bless You All.
